Withdrawing Money from Your Share Draft Account. As long as you have money in your Share Draft Account, and subject to any applicable state or federal laws and regulations, available funds can be withdrawn from your account by written draft or any other method approved by the Credit Union.

Share drafts may be ordered through the Credit Union. If share drafts are not ordered through the Credit Union, the Credit Union may assess a fee whenever problems in clearing such drafts in an automated fashion arise. When you order share drafts through the Credit Union, the Credit Union will charge your account for the costs of said share drafts, which costs vary depending on the style of drafts ordered. You may select drafts from the current styles available.

Transaction Limitations. Except as otherwise stated in this Agreement, or in any applicable federal or state law or regulation, there are no transaction limitations on the Share Draft account.

Payment of Share Drafts. The Credit Union is under no obligation to pay a share draft which is more than 6 months old. Except for negligence, the Credit Union is not liable for any action it takes regarding the payment or non-payment of a draft.

Dividends. The Credit Union does not pay dividends on the Free Share Draft (Checking) Accounts and getcash (Checking) Accounts.

Funds Availability. Funds from deposits you make into your Share Draft Account may not always be immediately available. Refer to our Funds Availability disclosure for more details.

The use of the Share Draft Account is subject to other terms, conditions and requirements as the Credit Union may establish from time to time.

Fees. As with all other accounts, your Share Draft account may be subject to service charges in accordance with the fee schedule adopted by the Credit Union from time to time. You should refer to the Truth in Savings Fee Schedule for a list of fees. These fees may be changed at our discretion.

Overdraft(s). The Credit Union is under no obligation to pay a share draft you have written, or notify you if it would result in the Share Draft Account being overdrawn (a draft written against your Share Draft Account when insufficient available funds are on deposit in the account is known as an NSF Share Draft), however, you agree to reimburse the Credit Union for funds advanced if the Credit Union does pay a share draft or other authorized transaction from your account(s), including any fee applicable for such an overdrawn account. You agree for yourself and the person or entity you represent if you sign as a representative of another, to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from your share draft account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

If this is a joint account (that is, if two or more people are parties to this account), all of the joint owners are jointly and severally liable to repay the Credit Union the amount of any overdraft and service charges, regardless which of the parties writes the draft that creates an overdraft and regardless of which party benefits from the overdraft. Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.

Standard Overdraft Protection. If we offer standard Overdraft Protection, you must separately apply and be approved for Overdraft Protection. Overdraft protection is a revolving line of credit that can be attached to your checking account. To the extent authorized by law, you hereby authorize us to transfer funds from other accounts you maintain at this credit union, to any account upon which you issue a share draft when there are not sufficient funds in the account upon which that draft is issued. If you have a line of credit with this credit union, transfers will be made either from your credit line up to the available credit limit or from your Regular Share Account, if there are sufficient funds in the Regular Share Account. You may elect your preference as to which account funds may be transferred from for this purpose. Any overdraft transfers resulting from this procedure may result in a fee being assessed to your share draft account. You agree to hold the credit union harmless for any and all liability that may otherwise exist if a transfer does not occur.

Courtesy Pay Overdraft Disclosures. If we offer Courtesy Pay Overdraft Protection, you must separately apply and be approved for Courtesy Pay. These Courtesy Pay Overdraft Disclosures describe the circumstances when we (the credit union) will pay overdrafts in your checking account and charge you a Courtesy Pay fee. "Overdraft" means there is not enough "available balance" in your checking account or any other account funds can be transferred from to pay for a transaction at the time it is presented to us for payment ("posts" to your account). If we pay for an overdraft, we will charge a Courtesy Pay fee. The fee is described in our Fee Schedule, which is updated periodically.

Please note that for ATM and one-time debit card transactions, you must affirmatively consent to this coverage on a separate disclosure. Without your consent, we may not authorize and pay an ATM or one-time debit card transaction that will result in negative available balance in your account.

The following is important information regarding your account balance, how transactions are posted to your account, and when an overdraft fee will be charged. You should read these disclosures carefully. If you have questions, please see a branch representative or give us a call.

Your Checking Account Balance. Your checking account has two kinds of balances: the "actual" balance and the "available" balance. Both can be checked when you review your account online, by phone, or at a branch. It is important to understand how the two balances work so that you know how much money is in your account at any given time. This section explains actual and available balances and how they work.

Your **actual** balance is the full amount of all deposits made into your account less payment transactions that have actually "posted" to your account. While the term "actual" may sound as though the number you see is an up-to-date display of what is in your account that you can spend, that is not always the case. It does not reflect checks you have written or payments you have authorized, or holds on deposits that have not yet posted. For example, if you have a \$50.00 actual balance, but you just wrote a check for \$40.00, then your actual balance is \$50.00 but it does not reflect the pending check transaction. So at that point, you actually have \$50, but you have already spent \$40. Also, the actual balance does not include holds that may be placed on checks you deposit. Thus, if you deposit a \$1,000 check, your actual balance will increase by \$1,000 but only \$225 may be available for you to spend because there may be a hold on \$775 for a period of time.

Your **available** balance is the amount of money in your account that is available to you to use without incurring an overdraft fee. The available balance takes into account things like holds placed on deposits and pending transactions (such as pending debit card purchases) that the Credit Union has authorized but that have not yet posted to your account. For example, assume you have an actual balance of \$50 and an available balance of \$50. If you were to use your debit card at a restaurant to buy lunch for \$20, then that merchant could ask us to pre-authorize the payment. In that case, we will put a "hold" on your account for \$20. Your actual balance would still be \$50.00 because this transaction has not yet posted, but your available balance would be \$30 because you have committed to pay the restaurant \$20. When the restaurant submits its bill for payment (which could be a few days later), we will post the transaction to your account and your actual balance will be reduced by \$20. Available balance at the time a transaction posts to your account is used to determine when your account is overdrawn.

It is very important to understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you want to make. This is because your available balance may not reflect all the outstanding checks and automatic bill payments that you have authorized, or other outstanding transactions that have not been paid from your account. In addition, your available balance may not reflect all of your debit card transactions. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we must release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account.

The best way to know how much money you have and avoid paying overdraft fees is to record and track all of your transactions closely.

IF YOU DO NOT UNDERSTAND THIS AGREEMENT OR HAVE ANY QUESTIONS, PLEASE CONTACT US.

Overdraft and Non-Sufficient Funds Fees (NSF). We will charge you a fee **each time** a payment is made on this account and that payment is returned for Non-Sufficient Funds, **and each time that same payment is presented for payment** with non-sufficient funds available to cover the payment, regardless of who initiates the re-presentation. The payment could be initiated by us or by you, or by the financial institution on whom the payment is initiated. So, you could be charged multiple times a Non-Sufficient Funds Fee for the same check or payment, or that same item is re-negotiated with insufficient funds available to cover that check or payment. You should refer to our Fee Schedule for a list of fees.

Suspension of Services. The Credit Union reserves the right to suspend the benefit of any Credit Union service at any time for reasonable cause. We also have the right to pay any check presented for payment from your account after your account is closed or suspended and we may proceed to collect any such amount paid from you.

Truncated Drafts; Statements. Your canceled share drafts will not be returned to you; they will become Credit Union property and be held by us ("truncated") for you. Your monthly statement will itemize your canceled drafts by number, date of clearing and the amount of the draft. Any objection respecting any item shown on a periodic statement is waived unless made in writing to the Credit Union before the end of sixty (60) days after the statement is mailed. A copy of any share draft will be available to you as required by law. There may be a fee to obtain a copy of a draft (see the Truth in Savings Rate and Fee Schedule for a list of fees).

Stop Payments

Stop Payment Order Request. You may request a stop payment order on any share draft drawn on your account. To be binding, an order must be dated, signed, and describe the account and draft number and the exact amount. The stop payment will be effective if the Credit Union receives the order in time for the Credit Union to act upon the order and you state the number of the account, number of the draft, and its exact amount. You understand that the exact information is necessary for the Credit Union's computer to identify the share draft. If you give us incorrect or incomplete information, we will not be responsible for failing to stop payment on the draft. If the stop payment order is not received in time for us to act upon the order, we will not be liable to you or to any other party for payment of the draft. If we re-credit your account after paying a draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee or other holders of the draft, and to assist us in any legal action.

Duration of Order. A written stop payment order is effective for six (6) months and may be renewed in writing from time to time. We do not have to notify you when a stop payment order expires.

Liability. Fees for stop payment orders are set forth on the Truth in Savings Rate and Fee Schedule. You generally may NOT stop payment on any certified check, teller's check or any other check, draft, or payment guaranteed by us. Even if payment of such an item is stopped, you may remain liable

to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any multiple party, account owner, payee, or endorser in failing to stop payment of an item as a result of incorrect information you provided the Credit Union.

Payment of Share Drafts after Death. The Credit Union may, after the date of your death, pay share drafts drawn before death unless ordered to stop payment by the Personal Representative or other appropriate person claiming an interest in the account.

Accounts for Trusts

Members who maintain a minimum \$0.50 membership share in the Credit Union can open a separate membership account for a Revocable Living Trust, provided at least one of the Settlor-Trustees of that Trust is a member of the credit union in his or her own right and the Trust designates a living beneficiary. In the event that a Trust account is opened and the sole beneficiary dies, then unless the Settlor designates another beneficiary and informs the Credit Union, the Trust account will be terminated. The following types of financial products and services will be available to Trusts:

Regular Share/Savings Account
Share Certificate

To the extent applicable and not superseded by this section, the terms and conditions governing those types of accounts and services for individuals govern accounts and services provided to Trusts.

In order to open an account for a Trust, you agree to provide such documentation as is required by the Credit Union with regard to the Trust, including, but not necessarily limited to, the Trust document itself and/or an Abstract of Trust prepared by the attorney who drafted the Trust.

The Credit Union reserves the right to refuse membership to a Trust when it is not drafted in accordance with and governed by the laws of the State of Pennsylvania.

If you have opened an account for a Trust, you as Trustee(s) understand and agree that the Credit Union may distribute funds pursuant to the terms of the most recently dated Trust Agreement on file at the Credit Union, and you, on behalf of the Trust, all beneficiaries of the Trust, and all Successor Trustees forever indemnify and hold the credit union harmless for distributions made pursuant to that Trust made in good faith in the absence of gross negligence on the part of the Credit Union. You further agree that it is your responsibility to notify the Credit Union when a Trust for which an account has been opened has been revoked, rescinded, revised, or in any way modified.

Other Terms and Conditions

Individual Account(s) are owned by one person.

Joint Account(s) with Survivorship: If two or more parties have signed a signature card as Joint Account owners with rights of survivorship, you are creating, and intend to create, a "joint tenancy with rights of survivorship" and either one of you may withdraw from the account without the signature of any other joint owner, unless otherwise restricted upon opening of the account. That is, you as the owners of the account agree with yourselves and the Credit Union that all sums paid in shares or other deposits (as applicable), together with all accumulations, prior to now or hereafter, less setoffs as allowed by law for any sums due the Credit Union by any party, shall be owned by all of you jointly with full right of survivorship, and shall be subject to withdrawal or receipt by any of you in whole or in part. Payment to any of you or the survivor(s) of you, or your personal representatives, administrators or assigns of the last survivor(s) of you, shall be valid and discharge the Credit Union from any liability for such payment and amount. Each signer appoints each other signer to be his or her irrevocable attorney: to make deposits to the account; to endorse, for cash or deposit, any checks or other items whether payable to one of the signers alone or with others; and to receive and receipt for all funds all without obligation to us to inquire into the source or application of funds. To induce us to act thereunder, each person signing the signature card jointly and singly agrees to hold the Credit Union harmless and indemnify us from loss, cost, and damage in all respects in connection with any of the foregoing, including court costs and attorney's fees, except as may be limited by applicable law. Any or all of the joint owners may pledge all or part of the shares or deposits in the account as collateral for security on a loan(s) to this Credit Union. No authority or obligation of the Credit Union may be changed or terminated by one or more of the joint owners without prior written notice to the Credit Union, and no such change or termination shall affect transactions already made. Further, each joint owner is subject to the terms and disclosures of this Agreement, and hereby acknowledges receipt thereof. With the exception of Certificate Accounts or as otherwise prohibited by law, any joint owner on an account is also a joint owner on all sub-accounts listed under that account number.

Revocable Trust or Pay-on-Death Account: If offered and approved by the credit union and if two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating either of these account types may: (1) change beneficiaries, (2) change the account types, and (3) withdraw all or part of the account funds at any time.

Custodial Accounts for Minors. Any custodial accounts for minors are subject to the terms and conditions set forth in the Uniform Transfer to Minors Act. It is your responsibility to know and abide by any legal effects related to this type of account.

Other Accounts for Minors. We may require any account established by a minor to be a multiple party account with an owner who has reached the age of majority under Pennsylvania law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to a minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority, unless authorized in writing by all account owners.

Missing Endorsements. The Credit Union is authorized to supply any of your endorsements on any check or other instrument tendered for any account, and the Credit Union shall have no liability in connection with the collection of such items that are handled by it without negligence, and the Credit Union shall not be held liable for the acts of any agents, subagents or others. We may accept transfers, checks, drafts and other items for deposit into your account(s) if they are made payable or to the order of one or more account owners, even if they are not endorsed by all payees. Withdrawals may not be made on account of such items until collected, or as otherwise provided by law. Any amount not collected, or later returned, may be charged back to the account, including expense incurred, and any other outside expenses incurred relative to the account may be charged to it.

Convenience Signer/Agency Designation on an Account. If approved by the Credit Union, a convenience signer or agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or Credit Union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.

Share Insurance. Your savings in the Credit Union are insured up to \$250,000 by the National Credit Union Administration (NCUA), an agency of the Federal Government, in accordance with regulations promulgated by the NCUA. Retirement accounts, including IRA share accounts and traditional IRA certificates, are covered separately to \$250,000 by NCUA. Generally, if a credit union member has more than one individual account in the same insured credit union, those accounts are added together and are insured up to \$250,000. Shares maintained in different legal ownership capacities may each be separately insured. There are numerous combinations of accounts that can increase your total coverage. Contact a Member Service Representative to discuss ways to increase your total coverage.

Charges. You agree to pay us charges in connection with your accounts in accordance with the Truth in Savings Fee Schedule for accounts in effect from time to time. We will provide advance notice of any increase in current charges, or any new charges, as required by law. We may deduct any charges owed by you from any of your accounts, whether you are an owner or joint owner. We reserve the right to waive any charges in our sole discretion.

Return of Deposits/Closed Accounts. We may, at any time, in our sole discretion, refuse to accept any deposit, or close any or all of your accounts with us without prior notice to you. Provided, however, we may not terminate your membership in the Credit Union without satisfying the notice provisions of the Pennsylvania Credit Union Act and related Bylaw Provisions and regulations. If we close an account, we will notify you and send you a check for any balance in your account after deducting all applicable charges. Any withdrawal that reduces the amount in an account to zero (other than a Share Draft Account) may automatically close that account. We are not liable for any draft, withdrawal or other order after an account is closed. Any drafts presented after your account has been closed will be returned unpaid. We reserve the right to advise consumer reporting agencies and other third parties of accounts closed for misuse.

Inactive Accounts. The Credit Union will consider your account inactive as defined by Pennsylvania Statute with no deposits or withdrawals on your account. This excludes dividends credited to your account by the Credit Union. Pennsylvania Law requires the Credit Union to turn these funds over to the State after a period of no activity as specified by statute. Before turning funds from inactive accounts over to the State of Pennsylvania, the Credit Union will send notices as required by Pennsylvania law advising you of your rights. The Credit Union reserves the right to assess a periodic fee on those accounts that have not been used for more than 12 months.

Statement(s). If we send you a periodic statement for your Share Draft Account, the statement(s) will include all activity on your account as required by law. You will receive a periodic statement (normally quarterly) for your Share Savings Account or other savings accounts, unless you have an electronic funds transfer transaction during a monthly period (in which case you will receive a monthly statement), or you will receive a combined statement on a monthly basis if you have a Share Draft Account and other savings accounts. Each such statement shall show the transactions on your accounts and any charges. We reserve the right not to send statements for accounts we consider inactive, or for those accounts on which we do not have a valid address on file. You should examine the periodic statement carefully and reconcile the account. If there are any discrepancies, the Credit Union should be notified immediately. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of sixty 60 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations, forgeries, or any other errors in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

If you do not receive a periodic statement when you would normally receive one, you agree to notify us within fourteen (14) calendar days of the time you normally would have received a statement. The Credit Union will not be liable if items were forged or altered such that a reasonable financial institution could not detect the fraud.

Agreement. This Agreement shall be effective and shall govern all deposit accounts with us. By signing a signature card, making deposits or withdrawals, or leaving amounts on deposit, you agree to the terms of this Agreement. This Agreement shall supersede all previous agreements for such accounts.

Amendment. We may change any of the items of this Agreement at any time without prior notice to you if the change is favorable to you. We may make changes that are adverse to you only if we provide you with any notice required by law or required in this Agreement. You may close the account if you do not agree to the changes; if you continue to use the account or keep the account open after the effective date of such change, you will be deemed to have agreed to the changes.

Notice of Name or Address Changes. You are responsible for notifying us of any address or name change. Whenever we are required to send you notice, the Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us in writing. The Credit Union requires all notices of change in address or name to be in writing.

Notice of Amendments. Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any changes in terms or rates as required by law or as required in this Agreement. All notices regarding the account will be posted in our office lobbies or will be sent to you to the address shown on your statement. In the event of joint ownership, notice by or to any one joint depositor shall be deemed notice by or to all. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement. We reserve the right not to send notice for accounts we consider inactive. Notices to us should be sent to: **Widget Federal Credit Union, DBA Widget Financial, 2154 East Lake Road, Erie, PA 16511 Telephone: 814-456-6231 or 1-800-214-8757.**

Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. Mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.

Indemnity. If by following your instructions we are exposed to a claim or suit by an adverse claimant, you shall hold us harmless and indemnify us from any such losses, expenses, liabilities or damages including actual attorneys' fees. If you ask us to follow instructions that we believe might expose us to claims, suits, losses, expenses, liabilities or damages, whether directly or indirectly, we may refuse to follow your instructions, or we may require a bond or other protections.

Severability. If any of this Agreement is found by any other court or regulatory body of competent jurisdiction to be invalid or unenforceable in whole or in part for any reason whatsoever, the authority of the remaining provisions or portions hereof shall not be affected thereby.

Waiver. We may waive any of these provisions at our sole discretion, but any such waiver will apply only on that occasion. If we chose to waive any provision, we will not be bound to waive the same provision or any other provision on another occasion.

Telephone Requests. You agree (for joint accounts, all joint owners agree jointly and severally) that funds in any of your accounts with us can be transferred upon the telephone request of any signer on the account. We shall not be responsible for any loss incurred as a result of our acting upon or executing any request, order or instruction we believe to be genuine. Furthermore, we may refuse to execute any telephone request or order.

Facsimile Signatures. You agree (for joint accounts, all joint owners agree jointly and severally) that the Credit Union may accept and rely on facsimiles of your signature(s) on any deposit or withdrawal form, order or other notices, requests or instructions regarding any account under this Agreement or with the Credit Union. We shall not be responsible for any loss incurred as a result of our acting upon or executing any request, order or instruction we believe to be genuine. Furthermore, we may refuse to execute any facsimile request or order.

Information About Your Accounts and About You. Generally, we will not disclose information to third parties about your accounts or about you without your permission. However, we may disclose information: (1) when it is necessary to complete transfers or transactions, or to send notice of dishonor or nonpayment; (2) to our accountants, attorneys or other professional advisors; (3) to Credit Union or financial institution regulators; (4) to exchange, in the regular course of business, credit information with other financial institutions or commercial enterprises, directly or through credit reporting agencies; (5) to advise third parties of accounts closed for misuse; (6) to furnish information to the appropriate law enforcement authorities when we believe we have been a victim of a crime; (7) to comply with government agency or court orders, or to furnish any information required by statute; (8) to furnish information about the existence of an account to a judgment creditor of yours who has made a written request for such information; (9) when we are attempting to collect an obligation owed to us; or (10) unless otherwise prohibited by law. In addition, you understand and agree that we

may, from time to time, request and review credit reports and other information about you prepared by credit reporting agencies or others. For additional information about how we share your information with third parties, please refer to the Credit Union's Privacy Notice.

Section Headings. Section headings in this Agreement are for convenience of reference only and shall not govern the interpretation of any of the provisions of this Agreement.

Legal Process. If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any pay out until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process, including but not limited to responding to garnishments, attachments or levies on your account(s), may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our priority lien and security interest.

Governing Law. This Agreement shall be governed by the laws, including applicable principles of contract law, and regulations of the State of Pennsylvania, except as superseded by federal laws and regulations, by the Credit Union's Bylaws, and by local clearinghouse rules. Unless prohibited by applicable law, any action brought pursuant to this Agreement against the Credit Union must be brought in the local State District Court or State Circuit Court in the jurisdiction of the Credit Union's Main Office or Branch Offices.

Right to Bring Civil Action. You have a right to bring a civil action against any person violating consumer rights set forth by statute governing consumer privacy and unauthorized withdrawals. If you prevail in such an action, you may be entitled under the law to punitive damages, court costs and reasonable attorney fees.

Right to Repay Loans without Penalty. Unless any loan agreement otherwise specifies, you have a right to repay any loan at any time in advance or in-full without penalty.

Taxpayer Identification Numbers and Backup Withholding. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

Special Account Instructions. You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Change form and accepted by us.

Termination of Account. We may terminate your account at any time without notice to you, or we may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any share drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate a single party account by giving written notice. We reserve the right to require the consent of all owners to terminate a multiple party account. We are not responsible for payment of any draft, withdrawal, or other item after your account is terminated, however, if we pay an item after termination, you agree to reimburse us.

Termination of Membership. You may terminate your membership by giving us notice. You may be denied services or expelled for any reason allowed by applicable law, including causing a loss to the Credit Union. Termination of your membership does not relieve you from any legal obligation created while you were a member of this Credit Union.

Account Agreement. Your application for Membership in the Credit Union as well as your use of any Credit Union Membership privileges constitutes an acknowledgement and consent to the terms and conditions of your accounts as set forth in this Account Agreement and all other accompanying Disclosures provided to you.

Payment Order Of Items. The law permits us to pay items (such as checks or drafts) drawn on your account in any order. To assist you in handling your account with us, we are providing you with the following information regarding how we process the items that you write. When processing items drawn on your account, our policy is to pay them in the order that they are received. The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. There is no policy that is favorable to every instance. If the smallest items are paid first, you may have fewer NSF or overdraft fees, but the largest, and perhaps more important items (such as rent or mortgage payments) might not be paid. If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). The amounts of the overdraft and NSF fees are disclosed elsewhere. By paying items in the order that we receive them, we think our policy attains a reasonable balance between minimizing additional cost to you and paying your more important items. We encourage you to make careful records and practice good account management. This will help you to avoid writing checks or drafts without sufficient funds and incurring the resulting fees.

Pledges. Subject to the Credit Union's priority lien in any deposits and unless we agree otherwise in writing, each owner of an account may pledge all or any part of the funds in it for any purpose to which we agree. The Credit Union's lien on any deposit and any pledge of an account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

Statutory Lien & Right of Offset/Enforcement. If you owe us money as a borrower, guarantor, endorser or otherwise, you acknowledge that we have a statutory lien on the account funds in any account in which you have an ownership interest, regardless of their source, unless prohibited by law. We may apply these funds in any order to pay off your indebtedness. FUNDS AVAILABILITY POLICY DISCLOSURE

The following information Widget Federal Credit Union, DBA Widget Financial's ("Credit Union") policy of making funds deposited in a Share Draft Account (also known as a "transaction account") available to you for withdrawal immediately. This is what is called a Funds Availability Policy. Generally, transaction accounts are accounts, which would permit an unlimited number of payments by check or other order to third persons, and also an unlimited number of telephone and preauthorized transfers to third persons, or other accounts you may have with us.

Determining Availability of Deposits. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit by 5:00 pm on Monday, Tuesday, Wednesday and Thursday, 6:00 pm on Friday, on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 5:00 pm on Monday, Tuesday, Wednesday and Thursday, 6:00 pm on Friday, or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Our hours of operation and closing times are available from the credit union and posted in our lobby.

Your Ability to Withdraw Funds. Our policy is to make funds from your cash and check deposits available to you on the same business day we receive your deposit. Electronic direct deposits will also be available on the day we receive the deposit and you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please be aware, however, that all deposits are subject to proof and verification and if you deposit a check, draft or other non-cash item, which is returned for non-payment for any reason, you authorize us to charge your account for the amount of those funds and we may charge your account without providing prior notice.

Other Check Deposits Availability – Reservation of Right to Hold & Case by Case Delays. There may be delayed availability of funds from some checks that are deposited into your accounts. Your deposits may be made available immediately by the Credit Union, however, in some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Funds may not be available until the second business day after the date of your deposit. Nonetheless, if all of your deposit is not made available on the same business day of the deposit, the first \$225.00 of your deposit will be available on the same day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also let you know when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available. During any delay, you may not withdraw the funds in cash and Widget Federal Credit Union, DBA Widget Financial will not use the funds to pay checks that you have written. The length of delay is counted in business days from the day of your deposit, including every day except Saturdays, Sundays and Credit Union observed holidays. A deposit is considered received when it is accepted at one of our branch offices with all appropriate endorsements. A deposit accepted while our data processing system is not online will be considered received when the transaction is posted in the Widget Federal Credit Union, DBA Widget Financial records.

Longer Delays May Apply. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit and those funds may not be available until the seventh business day after the day of your deposit.

If we are not going to make all of the funds from your deposit available on the first business day after the deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.
- Your deposits are drawn on foreign financial institutions or foreign entities.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit, unless your deposits are drawn on foreign financial institutions or foreign entities, which are exempt from the policies outlined in this disclosure. We reserve the right to refuse any item for deposit.

Deposits at ATMs we Own. Deposits of any type (cash or checks) into an automated teller machine (ATM) that this Credit Union owns or operates will be available on the next business day after the date of the deposit. While this next day rule does not apply to ATMs that we do not own or operate, in some cases, we will nonetheless make those funds available on the next business day after the date of the deposit. If we are not going to make all of the funds from your deposit available, we will mail you the notice by the next business day after we receive your deposit.

Deposits at ATMs we Do Not Own. Deposits of any type (cash or checks) into an automated teller machine (ATM) that this Credit Union does not own or operate will not be available until the second business day after the date of the deposit. All ATMs that we own or operate are identified as our machines.

Deposits in Non-transaction Accounts. Regulation CC does not apply to non-transaction or savings deposits; therefore, there is no maximum time frame within which the proceeds of savings deposits must be made available for withdrawal. Our general policy for check holds on non-transaction accounts is to follow the same guidelines used for transaction accounts, although we reserve the right to impose longer holds if deemed necessary. We will notify you if we delay your ability to withdraw funds for any reason, and we will tell you when the funds will be available.

Holds on Other Funds (Check Cashing). If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available had you deposited it.

Holds on Other Funds (Other Account). If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check deposited.

Check Endorsements. Federal law requires a proper endorsement on checks to be placed on the back left side of the check within a 1 & ½ inch area. If you fail to properly endorse a check, further delays in processing will be incurred or, the check may be rejected for deposit.

Special Rules for New Accounts. If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available immediately if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit. Further delays may apply to checks drawn on foreign entities.

Large deposits. The availability of funds provisions in this disclosure do not apply to the aggregate amount of deposits by one or more checks to the extent that the aggregate amount is in excess of \$5,525.00 on any one business day. For members that have multiple accounts at the credit union, the credit union may apply this exception to the aggregate deposits to all accounts held by the member, even if the member is not the sole holder of the accounts and not all of the holders of the accounts are the same.

11. **Excluded Transactions.** We have developed an elaborate electronic data processing system which makes it possible to offer you many electronic services. However, some of these services do not constitute "electronic fund transfers" for purposes of this disclosure. For example, automatic transfers from your account(s) to pay your loan(s) owed to us and automatic transfers between your own accounts at the Credit Union. The terms and conditions of this disclosure only apply to those services and transfers which are "electronic fund transfers" as described in this disclosure; they do not apply to other transactions which, although electronic in nature, do not constitute "electronic fund transfers" described in that section.

12. **Fees and Charges.** Certain fees and charges apply to electronic transfers. A fee schedule was provided to you at the time you applied for this card. We may amend the fee schedule from time to time and the fees charged to your account will be those fees applicable at the time of any particular transaction. We will notify you of any changes in the fee schedule, as provided by law. You may also ask us for a current fee schedule. We reserve the right to impose fees, and to thereafter increase them, if we deem it necessary. We will give you at least 21 days advance written notice before imposing or increasing any such fees. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

13. **Limitations on "Electronic Fund Transfers".** We described the types of electronic funds transfers you can make through our various Electronic Funds Transfer Services. During any periodic monthly cycle for all non-transaction accounts (i.e. savings accounts) you may not make more than six (6) withdrawals or transfers to another Credit Union account of yours or to a third party by means of a preauthorized or automatic transfers; transfers authorized by phone, fax, or online; and transfers by check, debit card, or similar order payable to third parties. Other types of transfers and withdrawals, such as those made in person, by mail, or at an ATM can be made without limitation. If you exceed the transfer limitations herein, your account may be assessed additional fees and/or will be subject to closure.

A preauthorized transfer includes any arrangement with us to pay a third party from your account upon oral or written orders including orders received through the automated clearing house (ACH). Aside from that limitation, and as to transactions other than those made at an ATM, there are no limitations as to how often you can make "electronic fund transfers" described in this disclosure. Nor are there any restrictions as to the dollar amount of any one "electronic fund transfer". We reserve the right to impose any such restrictions in the future as we deem reasonable, but we will give you at least 21 days advance written notice before doing so. You may make unlimited transfers to any of your accounts or to any Credit Union loan account and may make withdrawals in person, by mail, or at an ATM. However, we may refuse or reverse a transfer that exceeds these limitations and may assess fees against, lock or close your account.

14. **Documentation of Electronic Fund Transfers:**

- Terminal transfers.** You can obtain a receipt at the time you make any transfer to or from your account using one of our automated teller machines or point-of-sale terminals.
- Small Dollar Terminal Transactions and Point-of-Sale Transactions.** You can receive a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not always receive a receipt if the amount of the transaction is \$50.00 or less. Your use of this ATM/Debit card is your acknowledgement of the terms set forth in this disclosure, including this small transaction documentation section.
- Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at **814-456-6231** or **1-800-214-8757** to find out whether or not the deposit has been made.
- Periodic statements.** You will receive a monthly account statement for each month during which an EFT has occurred, unless there are no transfers in a particular month. In any case, you will get the statement at least quarterly.
- Passbook account where the only possible electronic fund transfers are preauthorized credits.** If you bring your passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your passbook.
- Your right to documentation as set forth in subsections A and D of this section does not apply when the electronic funds transfer occurs outside of the United States.

15. **Preauthorized EFTs**
- Direct Deposit.** Upon instruction of (1) your employer, (2) the Treasury Department or (3) other financial institution, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your savings and/or checking account.
 - Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your savings and checking account.
16. **Preauthorized Payments & Stop Payments.** Your rights to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:
- Call us at 814-456-6231 or 1-800-214-8757, or write us at Widget Federal Credit Union, DBA Widget Financial, 2154 East Lake Road, Erie, PA 16511-1198, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you a fee as set forth in the Fee Schedule for each stop-payment order you give.
 - Notice of varying amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
 - Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.
17. **Confidentiality.** We will disclose information to third parties about your account or the transfers you make:
- Where it is necessary for completing transfers; or
 - In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
 - In order to comply with government agency or court orders; or
 - If you give us your written permission.
18. **Errors or Questions.** In Case of Errors or Questions About Your Electronic Transfers Telephone us at: Phone: 814-456-6231 or 1-800-214-8757 or write us at: **Widget Federal Credit Union, DBA Widget Financial**, 2154 East Lake Road, Erie, PA 16511-1198 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.
- Tell us your name and account number (if any).
 - Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
 - Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If you give notice of an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days instead of (10) ten business days to conduct our investigation. If the notice of error involves a point of sale transaction or involves a transaction initiated outside the United States, its possessions and territories, we will have ninety (90) days to investigate instead of forty-five (45) days to investigate.

19. **Your Liability for Failure to Make "Electronic Fund Transfers".** If we do not complete an "electronic fund transfer" to or from your accounts on time or in the correct amount according to our agreements with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:
- If, through no fault of ours, you do not have enough money in your account to make the transfer or, pursuant to our Funds Availability Disclosure, there are "uncollected" funds that are not available.
 - If there is not enough money in your account, in excess of amounts you have pledged to us as collateral for a loan to make the transfer.
 - If the ATM, telephone, Internet or any other electronic access device was not working properly and you knew about the problem when you started the transaction.
 - If the error was caused by a system of any participating ATM network.
 - If funds in your account are subject to garnishment or other legal process.
 - If we have, because of your default on a loan, exercised our rights against the funds in a pledged account.
 - If the transfer would take the balance on your overdraft loan (if applicable) over the credit limit.
 - If the automated teller machine where you made the transfer did not have sufficient cash.
 - If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
 - If circumstances beyond our control prevent the transfer (such as fire, flood, or power failure), despite reasonable precautions we have taken.

We will also be excused from such liability if you fail to observe the terms of this agreement, or our account agreements with you, which relate to such "electronic fund transfers". If you have bill payment services, you must contact the intended recipient of the transaction for inquiries other than confirmation of the amount transferred from your account to the merchant, the date of the transfer and the recipient's identity/name.

21. **Business Days.** Our "business days" are as follows:
We are not open for business on New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, or other holidays observed by the credit union. Every day is a business day, except Saturdays, Sundays and federal holidays. We reserve the right to change our "business days" and hours. You may get more updated information, including lobby hours, from our website at: www.egefco.org
22. **Regulatory Agency.** If you believe that we may have violated the federal Electronic Funds Transfers Act or any Pennsylvania Electronic Funds Transfer Regulations, you may contact the following regulatory authority:

State of Pennsylvania
Pennsylvania Department of Banking
Credit Union Division
17 N. Second Street, Suite 1300
Harrisburg, PA 17101-2290

23. **Amendments/Termination.** We reserve the right to amend this disclosure (agreement) at any time. If we do so, we will give you such advance notice thereof as we deem to be reasonable under the circumstances. However, in the specific cases mentioned earlier, we will give you at least 21 days advance written notice. We also reserve the right to terminate this disclosure (agreement) by sending a notice of such termination by first class mail to your last known address on our records, which notice shall be effective when mailed. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. You may also terminate this agreement at any time by providing written notice to Widget Federal Credit Union, DBA Widget Financial, however, termination of this agreement will not relieve you of your continuing obligations incurred during the term of this agreement. If

this Agreement is terminated, you must return all items issued by the Credit Union, including but not limited to, ATM Cards, VISA® Debit Cards, PINs and Codes, which remain the property of the Credit Union.

24. The effective date of this disclosure (agreement) is August 19, 2021.
25. **Location of Machines.** The number and location of Automated Teller Machines is, of course, subject to change at any time.
26. **Card Ownership.** All ATM Cards, VISA® Debit Cards, and PINs remain the property of the Credit Union and may be revoked or cancelled at any time without giving you prior notice. You agree not to use your ATM/Debit Card for a transaction that would cause your account balance to go below zero. You also agree not to make a Telephone Teller Audio Response system service or CU Online Banking system, electronic fund transfer or e-Check(s) affecting your account(s) that would cause your account balance to go below zero. We will not be required to complete any such transaction, but if we do, you agree to pay us the amount of the improper withdrawal, or transfer, upon request, plus our fee(s) for any such transactions that create an overdrawn account or accounts.
27. **Secrecy of PIN.** If we have issued a PIN to you, you agree to keep your PIN secret, and you also agree that you will not write the PIN on your ATM/Debit Card or on any item you keep with your cards. If you do not keep your PIN separate from your ATM/Debit Card, your privileges may be revoked at our option. You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit anyone else to use your PIN or access your accounts through an electronic transfer service, or give your card to anyone else, or provide your access code to someone else, you are responsible for any transactions they initiate and authorize for any of your accounts.
28. **Honoring the Card.** Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.
29. **Limitations of ATM Transactions.** There is a maximum \$5,000.00 limit on the dollar amount of deposits and a maximum of combined card purchases/cash withdrawals of 20 withdrawals per day, if you have sufficient funds in your account, you may make at any ATM during its 24-hour operating cycle. To protect against possible losses, your card will not allow you to withdraw more than a combined withdrawal from your share, share draft and electronic withdrawal using an ATM card or using a VISA® Debit Card during such a 24-hour cycle, even if two ATM Cards or two VISA® Debit Cards have been issued for a single account. (For example, when a husband and wife each have a card for their joint account.) If a separate limit is set with regard to Point of Sale entries, we will disclose that limit to you separately. We reserve the right to change these limitations, and we will give you written notice of any such change at least 21 days in advance. You may request us to program our system so that no more than \$50.00 cash can be obtained by use of your ATM/Debit Card or VISA® Debit Card during a single day. Please contact us if you want this option.
30. **Responsibility for Overdraft.** If you obtain cash from an ATM which creates a shortage in your account or if you overdraw an account through use of the Telephone Teller Audio Response system access service, CU Online Home-Banking access service, e-Check(s), or otherwise, the overdraw amount is due and payable the moment you receive your money, or make the transfer. You agree to pay the full amount of it to us, together with an overdrawn account charge pursuant to the fees applicable for your share draft account per occurrence. If you have an overdraft line of credit, an advance on your line of credit may be made to cover the overdraft, and you will pay that advance in accordance with the conditions of your line of credit plan, depending upon which form of overdraft protection you have selected. If there are not sufficient funds to make a transfer according to your overdraft line of credit, or if you have no overdraft protection, then such overdraft will be paid to us as provided in the first sentence of this section.
31. **Crediting of Deposits and Payments.** Deposits or payments made in an ATM, whether in cash, check, draft or money order, are subject to verification, and the funds of such deposits and payments to accounts may be held until they can be collected from the machine, verified and entered into our accounting systems. Further delay may occur if the transaction is made on or immediately prior to a Saturday, Sunday or holiday on which we are closed. If you place a check, draft or money order in the machine as a deposit or payment, it is subject to collection in accordance with your account agreement with us and Regulation CC.
32. **Joint Accounts.** If any account accessed under this agreement is a joint account (that is, if two or more people are parties to this account), all of the joint owners are jointly and severally liable to repay the Credit Union the amount of any EFT transaction, including any overdraft and service charges, regardless which of the parties initiated, completed or received the benefit of the transfer. Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from transfers, charges or overdrafts, whether caused by you or another with access to any account affected under this agreement. This liability is due immediately, and can be deducted by the Credit Union directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you individually initiated or authorized the item or transfer or otherwise benefited from the transfer and charge. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.
33. **Currency Conversion Fee and Foreign Transaction Fee.** If you effect a transaction with your VISA® Card in a currency other than U.S. Dollars, VISA® will convert the funds into U.S. Dollars and charge your account in U.S. Dollars. VISA® will use its currency conversion procedure, which is disclosed to institutions that issue VISA® cards. The conversion rate used by VISA® to determine the transaction amount in U.S. Dollars for such foreign transactions is a rate set by Visa from the range of rates available in wholesale currency markets for the applicable Transaction, which rate may vary from the rate Visa itself receives; or the rate mandated by a government or a governing body in the country in which the Transaction occurred. The applicable rate is the rate when the transaction occurs. The currency conversion rate used by VISA® Incorporated may vary from the rate VISA® itself receives and, may differ from the rate that would have been used on the purchase date or cardholder statement posting date. If there is no currency conversion but the transaction was completed by a financial institution located in a foreign country (what VISA® labels a "single-currency transaction") the International Service Assessment (ISA) is 1% of the transaction; including cash advances, purchases and credits to your account. A "multi-currency" conversion is a "currency conversion" and an assessment of an International Service Assessment (ISA) fee. If there is a "multi-currency" conversion, the ISA will continue to be 1% of the transaction. An international transaction is a transaction where the issuer's country (i.e., the card-issuing financial institution's country) is different than the merchant's country. Thus, for example, a transaction over the Internet could qualify as an international transaction. These fees will be charged to your VISA® account for each foreign transaction. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, Puerto Rico, and the U.S. Virgin Islands or U.S. Military bases, regardless of whether you are physically located inside or outside of the United States or initiate the transaction inside or outside the United States. The currency conversion rate used for a particular transaction will be the rate for the applicable currency on the date the transaction occurs. Each "transaction" completed can cause an additional foreign transaction fee to be incurred and billed to your VISA® card. Some purchases, such as online purchases from foreign merchants located in foreign currency, will incur foreign transaction fees. Even if your transaction is executed in U.S. Dollars, it may incur a foreign transaction fee if it is routed through a foreign financial institution. Your "Foreign Transaction" fee is 1% of the transaction amount. Your Currency Conversion fee is an **additional** 1% of the transaction for the "Currency Conversion".
34. **Unlawful Internet Gambling Notice.** Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling. **Advisory Against Illegal Use.** You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.
35. **Governing Law.** This Agreement and Disclosure is governed by the Bylaws of Widget Federal Credit Union, DBA Widget Financial, federal laws and regulations, state laws and regulations and local clearinghouse rules, as may be amended from time to time. Any disputes regarding this agreement shall be governed by the laws of the United States and the State of Pennsylvania.
36. **Enforcement.** You agree that you will be liable to us for any loss, cost, or other expenses we incur as a result of your failure to comply with the terms and conditions set forth in this Agreement and as we may amend from time to time. You authorize us, without prior notice, to deduct any loss, cost or other expenses, including reasonable attorney's fees that are incurred by us for your failure to comply with the terms of this agreement. You also agree that we may deduct any loss, cost or other expenses, including reasonable attorney's fees that are incurred by us for any action we may take to enforce this Agreement from your accounts with us.
37. **Account Information Disclosure.** We may disclose your account information to third parties to verify and complete the transfers you make as follows: (a) To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant; (b) If your account is eligible for emergency cash and/or emergency card replacement services, and (c) you request such services, you

agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s); (d) To comply with government agency or court orders; or (e) If you otherwise provide us with your written permission.

38. **Right to Bring Civil Action.** You have a right to bring a civil action against any person violating any provision of the laws governing consumer privacy and unauthorized withdrawals. If you prevail in such an action, you may be entitled to recover punitive damages, court costs and reasonable attorney fees.
39. **Consumer Liability:**
- Consumer Liability.** Tell us AT ONCE if you believe your Automated Teller Machine Cards (ATM Card), VISA® Debit Cards and/or PIN(s) or your Telephone Teller Audio Response system access service PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or your CU Online Banking system has been accessed without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). You will have zero liability if you tell us within 2 business days after you learn of the loss or theft of your Automated Teller Machine Card (ATM Card), VISA® Debit Card or your PIN(s) and/or your Widget Federal Credit Union, DBA Widget Financial Online Banking access PIN/Code, if someone used your card without your permission. If you do NOT tell us within 2 business days after you learn of the loss or theft of your card(s), and we can prove we could have stopped someone from using your card(s) and/or PIN without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.
 - Contact in event of unauthorized transfer.** If you believe your Automated Teller Machine Cards (ATM Card), VISA® Debit Card and/or PIN(s) have been lost or stolen, or your Telephone Teller Audio Response system access service PIN, or your CU Online Banking system access to your account has been compromised, call: 814-456-6231 or **Toll free: 1-800-214-8757** or write to: **Widget Federal Credit Union, DBA Widget Financial, 2154 East Lake Road, Erie, PA 16511-1198 IMMEDIATELY !!!** You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.
 - Authorization.** If you furnish another person with your ATM card and PIN, any operable Code or Telephone Teller Audio Response system access service PIN, access code to your CU Online Banking or your check book, you will be responsible for all "electronic fund transfers" initiated by the person. Your responsibility pertains to transfers from which you may receive no benefit, and applies even though that person may not have actual authority to initiate a transfer or transfers any amount in excess of that which is authorized. Your responsibility for such transfers remains until you have notified us in writing that the person is no longer authorized to initiate transfers.
40. **VISA® Debit Card Network Disclosure - Non-VISA® Debit Transaction Processing.** This VISA® Debit Card Network Disclosure is effective April 17, 2017 and provides notice to you that as a VISA® Debit Card holder, you may initiate a VISA® Debit Card transaction on a non-VISA® Network without a PIN anywhere the card is accepted without those transactions being protected by VISA® zero liability for unauthorized transactions and fraud. In addition, you may not receive any other benefits for using your VISA® Debit Card, such as any accumulation of VISA® Network points, or product warranties provided by using the VISA® Network for purchases, or any other authentic VISA® incentive when your transactions are processed by non-VISA® Networks. The provisions in your VISA® Cardholder agreement relating only to VISA® Transactions are inapplicable to non-VISA® transactions.

Your VISA® Debit Card with the VISA® Logo may be accepted and process transactions that are not processed through "VISA's Network". "VISA's Network" provides protection to you that requires entry of a PIN number to access your funds/account as a Debit Account, while the following known network(s) utilized by some merchants through "non-VISA® Networks" do not provide zero liability to you as a card holder. Those "non-VISA® Network" transactions are not covered by the VISA® zero liability process for unauthorized transactions.

We are aware of the following networks that offer a PIN-less payment option: STAR, PULSE, NYCE, COOP, and ACCEL/Exchange. These "Non-VISA® Debit Transactions" would not be conducted through VISA's Network and therefore, would not receive VISA® zero liability and fraud protection. There may be other Networks that process your transactions through non-VISA® Networks and allow certain bill payment products and certain merchants to initiate payment transactions through non-VISA® Networks without a personal identification number (PIN). All other transactions initiated by cardholders on non-VISA® Networks required cardholders to enter a PIN.

VISA® represents that its VISA® zero liability policy virtually eliminates consumer liability in cases of card fraud for all VISA® card transactions processed through the VISA® Network, including online purchases. Merchants who use non-VISA® Networks will process your transaction(s), however, those transactions are not eligible for VISA® zero liability or fraud protection.

This new rule allows you as the cardholder to initiate a VISA® Debit Card transaction on a non-VISA® network without a PIN anywhere the card is accepted. For example, you as a VISA® Debit Card holder go to a merchant's web site and select a VISA® payment option since the card has the same VISA® logo as is on the card. If that merchant does not use a VISA® Network, your transaction will be processed as a Non-VISA® Debit Transaction that does not provide zero liability to you. In order to insure the zero liability and fraud protection, you would need to verify that the merchant utilizes a VISA® Network and not one of the non-VISA networks identified above. Or, for example, you may charge a transaction with a non-VISA® Network participating merchant, in which case that transaction would not receive the VISA® zero liability and fraud protection.

This Disclosure is an amendment to any new or existing VISA® Agreement with this Credit Union and may be amended at any time. Usage of your card represents an acknowledgement of the receipt of this disclosure.

41. **RIGHT OF OFFSET (Shares Lien): IF YOU REQUEST THAT WE ISSUE A PIN TO YOU, AND IF YOUR CARD OR YOUR PIN MAY BE USED TO ACCESS OPEN-END CREDIT PLAN AGREEMENT(S) WITH US BY WAY OF OVERDRAFT PROTECTION, FUTURE ADVANCES OR OTHERWISE, A SECURITY INTEREST IN YOUR ACCOUNT(S) WITH US ARE A CONDITION TO THE ISSUANCE OF THE CARD AND THE PIN. IN THAT EVENT, YOU GIVE US A SECURITY INTEREST IN ALL ACCOUNTS WITH US IN WHICH YOU HAVE AN INTEREST EITHER NOW OR IN THE FUTURE, INCLUDING ACCOUNTS ON WHICH YOU ARE A JOINT OWNER AND WHICH SECURE ALL ADVANCES MADE UNDER YOUR OPEN-END CREDIT PLAN AGREEMENT WHETHER DIRECTLY OR INDIRECTLY, THROUGH THE USE OF YOUR CARD. YOU HEREBY AUTHORIZE US TO APPLY FUNDS IN YOUR ACCOUNT(S) TO PAY AMOUNTS UNDER YOUR OPEN-END CREDIT PLAN AGREEMENT IF YOU ARE IN DEFAULT. YOU ARE NOT GIVING US AN INTEREST IN ANY ACCOUNT, INCLUDING ANY INDIVIDUAL RETIREMENT ACCOUNT, WHICH WOULD LOSE SPECIAL TAX TREATMENT IF GIVEN AS SECURITY AND APPLIED TO YOUR LOAN(S).**

WIRE TRANSFER NOTIFICATION

(Uniform Commercial Code Article 4A)

The following rules shall apply to all wire transfer services provided by the Credit Union.

Widget Federal Credit Union, DBA Widget Financial may accept, on your behalf, payments to your account that have been submitted by Fedwire. Your rights and obligations with respect to such transfers shall be governed and construed in accordance with Regulation J, Subpart B-Funds Transfers Through Fedwire. These regulations and state law are applicable to funds transfers involving your account.

If you give us a payment order that identifies a beneficiary (the person to whom you are wiring funds) by name and account or some other identifying number (such as a Social Security, Taxpayer I.D. or drivers license number), we may pay the beneficiary on the basis of the number provided to us by you and consider that number to be proper identification. This will be true even if the number you provided to us identifies a person different from the named beneficiary, unless otherwise provided by law or regulation.

If you give us a payment order that identifies the beneficiary's financial institution in the funds transfer by name and Routing and Transit ("R/T") or other identifying number, we, as well as the receiving financial institution, may rely on the number provided to us by you as the proper identification. This will be true even if the number provided identifies a financial institution that is different from the named financial institution, unless otherwise provided by law or regulation. Therefore, it is in your best interest to contact the receiving institution to acquire the appropriate wire transfer instructions so that you may feel confident that your money will arrive safely. You, the member, are ultimately responsible for providing accurate information regarding funds transfers and are consequently liable for any losses or expenses should an error occur.

You may not be provided with separate notification each time we receive a wire transfer into your account. We will provide you with notification of an incoming wire transfer as part of your periodic statement. In the event we accept payments to your account through one or more Automated Clearing Houses ("ACH"), the operating rules of the National Automated Clearing House Association ("NACHA") will be applicable to ACH transactions involving your account. These rules do not require that we provide you with next day notice of receipt of an ACH item. Therefore, we will provide you with notification of the receipt of these items as part of your periodic statement.

In addition, if we are ever obligated to pay interest on the amount of the transfer, you will be paid interest on a daily basis equal to the current dividend rate that is otherwise applicable to the account from which the funds transfer should have occurred. In the event we are ever liable to you for damages due to a transfer, your damages will be limited to actual damages only. We will not be responsible for incidental or consequential damages, court costs or attorneys fees, unless otherwise provided by law or regulation.

We may accept, on your behalf, payments to your account which have been transmitted through one or more Automated Clearing Houses and that are not subject to the Electronic Funds Transfer Act ("Regulation E"). Your rights and obligations with respect to such payments shall be governed and construed in accordance with the applicable Federal Reserve Bank Operating Circular. Whenever an ACH is used as part of a transaction, its rules will govern that part of the transaction. Where none of the above stated rules apply, the transactions contemplated by this agreement shall be governed by the laws of the State of Pennsylvania, including Article 4A of the Pennsylvania Uniform Commercial Code.

Credit given by us to you with respect to an ACH entry is provisional until we receive final settlement for the credit entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified that we are entitled to a refund of the amount credited to you in connection with the credit entry. Moreover, you are hereby notified that the party making payment to you (originator) shall not be deemed to have paid you the amount of the credit entry.
