VISA® PLATINUM DISCLOSURE

In this Agreement the words "you" and "your" mean each and all of those who agree to be bound by this Agreement; "Card" means a VISA® credit card or EMV® VSDC® Card and any duplicates, renewals, or substitutions the Credit Union issues to you; "Account" means your VISA® credit card line of credit account with the Credit Union. The Lender is Widget Federal Credit Union, doing business as Widget Financial. Any reference to "us", "we", or "Credit Union" means Widget Federal Credit Union, DBA Widget Financial or anyone to whom the Credit Union transfers this Agreement.

1. Using Your Account. If you are approved for an Account, the Credit Union will establish a line of credit for you and notify you of your credit limit. You agree that your credit limit is the maximum amount (purchases, cash advances, finance charges, plus "other charges") that you will have outstanding on your Account at any time. Each payment you make to your Account will restore your credit limit by the amount of the payment, unless you are over your credit limit. If you are over your credit limit, you must pay the amount you are over before payments will begin to restore your credit limit. You may request an increase in your credit limit only by a method acceptable to the Credit Union. The Credit Union has the right to reduce your credit limit, refuse to make an advance and/or terminate your Account at any time for any reason not prohibited by law.

2. Using the VISA® Platinum Card. You may use your Card to make purchases from merchants and others who accept VISA® Cards. In addition, you may obtain cash advances from the Credit Union and from other financial institutions that accept VISA® Cards, and from some automated teller machines (ATMs), such as the VISA® ATM Network, that accept VISA® Cards. (Not all ATMs accept VISA® Cards.) To obtain cash advances from an ATM, you must use the Personal Identification Number (PIN) that is issued to you for use with your card. You agree not to make or permit to be made any illegal transactions on your Account through the use of a Card, a Check or in any other manner. Our Verified by VISA® is a unique service that uses a personal password to help protect your VISA card number(s) against unauthorized use while shopping online at participating stores. If you use your card to make purchases through the Internet, you may be requested to provide the three-digit security code on the reverse side of your card. You may not use your card for any Internet gambling transactions. There is no fee for a cash advance obtained at the Credit Union.

3. Using the EMV® VISA VSDC® Card. With an EMV® VISA VSDC® chip card, you'll insert your card into the terminal and leave it there until the receipt begins to print, and then remove it. Follow the prompts on the terminal; they will tell you when to insert the card and when to remove it. EMV technology is more secure than magstripes and will lower your risk of identity theft via credit card. As U.S. merchants begin transitioning to chip card readers, you will notice the payment process works a little differently. Your merchant may direct you to insert your chip card until the transaction is complete. Not all chip card readers will look the same, so remember to follow the prompts on screen. Not all merchants and vendors will have the equipment to make EMV® VISA VSDC® transactions. If you come across a merchant who has not made the transition yet, you can still swipe your card as you do today.

4. Responsibility. You agree to pay all charges (purchases and cash advances) to your Account that are made by you or anyone whom you authorize to use your Account. You agree not to authorize anyone to use your Account without the prior written consent of the Credit Union. You also agree to pay all finance charges and other charges added to your Account under the terms of this Agreement or another agreement you made with the Credit Union. If this is a joint Account, Section 24 also applies to your Account.

5. Default. You will be in default if you fail to make any minimum payment or other required payment by the date that it is due. You will be in default if you break any promise you make under this Agreement. You will be in default if you die, file for bankruptcy or become insolvent or are unable to pay your obligations when they become due. You will be in default if you are in default on any other loan/debt that you have with this Credit Union. You will be in default if you make any false or misleading statements in any credit application or credit update.

You will also be in default if something happens that the Credit Union believes may substantially reduce your ability to repay what you owe. When you are in default, the Credit Union has the right to demand immediate payment of your full Account balance without giving you notice. If immediate payment is demanded, you agree to continue paying finance charges, at the periodic rate charged before default, until what you owe has been paid, and your shares and deposits pledged as security for your Account may be applied towards what you owe.

6. Liability for Unauthorized Use-Lost/Stolen Card Notification. You may be liable for the unauthorized use of your Card. You will not be liable for unauthorized use that occurs after you notify the Credit Union, orally or in writing, of the loss, theft, or possible unauthorized use. In any case, your liability will not exceed \$50. You can notify the Credit Union by calling (814) 456-6231, or writing to Widget Federal Credit Union, 2154 East Lake Road, Erie, PA 16511.

7. Security Interest. As a condition of us granting you credit under this agreement you hereby agree to grant us a security interest in all present and future shares and deposits with credit union except Individual Retirement Account(s) and other accounts which provide tax benefits under federal or state law to secure this VISA® account. Upon default under this agreement you agree that we may apply any or all of your shares and deposits to pay amounts due, or to pay the entire balance due on the account under this agreement. You also agree to grant us a security interest in collateral (other than real estate or your residence) securing other loans with this Credit Union to secure credit under this agreement.

8. Finance Charges. For a VISA® Platinum card, each advance or purchase is a fixed rate of interest loan in that the daily periodic rate and the **ANNUAL PERCENTAGE RATE** will not vary while you maintain an outstanding balance on your account. The **ANNUAL PERCENTAGE RATE** for purchases, cash advances and balance transfers and corresponding Daily Periodic Rates are 10.00% - 17.00% and the monthly periodic rate is 0.8333% - 1.4167%, respectively, based on your credit worthiness.

New purchases posted to your account in any billing cycle will not incur a finance charge during that cycle if you had a zero or credit balance at the beginning of that billing cycle or you paid the entire new balance on the previous billing cycle statement by the payment due date for that statement. Otherwise, a finance charge will accrue from the date of any posting of new purchases. You may avoid an additional finance charge on purchases by paying the entire new balance off on the billing statement by the payment due date for that cycle period. A finance charge begins to accrue on cash advances from the date you receive the cash advance or from the first day of the billing cycle in which the cash advance is posted to your account, whichever is later.

Finance charges for purchases are calculated differently than for cash advances. For purchases; the finance charge is computed by applying the monthly periodic rate to the average daily balance of purchases. To get the average daily balance of purchases, we take the beginning outstanding balance of purchases each day, add any new purchases, and subtract all payments and/or credits received during that period. The result is the daily balance of purchases. We then add all the daily balances of purchases for the billing cycle and divide the total by the number of days in that billing cycle. That final figure is the average daily balance of purchases.

For cash advances and balance transfers, the finance charge is computed by applying the monthly periodic rate to the average daily balance of cash advances. To get the average daily balance of cash advances, we take the beginning outstanding balance of cash advances each day, add in new cash advances, and subtract any payments and/or credits that we apply to the cash advance balance. This gives us the daily balance of cash advances. Then, we add all the daily balances of cash advances for the billing cycle together and divide the total by the number of days in the billing cycle. This is then the average daily balance of cash advances.

9. Payments. Each month you must pay at least the minimum payment shown on your statement by the date specified on the statement or no later than 25 days from the statement closing date, whichever is later. If your statement says the payment is "Now Due," your payment is due no later than 25 days from the statement closing date. You may pay more frequently, pay more than the minimum payment or pay the Total New Balance in full. If you make extra payments or larger payments, you are still required to make at least the minimum payment each month your Account has a balance (other than a credit balance). The minimum payment is 2.00% of your Total New Balance, but not less than \$25.00, plus the amount of any prior minimum payments that you have not made, and any amount you are over your credit limit. If your balance is less than \$25.00, then the entire balance will be your payment. The Credit Union also has the right to demand immediate payment of any amount by which you are over your credit limit. The Credit Union also has the right to demand immediate payment of any amount by which you are over your credit limit. Your payments will include any past due payments, over limit amounts, all applicable fees and costs and the current minimum amount due.

10. Payment Allocation. If you have balances with different interest rates, any amount paid over the minimum payment will be applied first to balances with the highest rates, so you can pay down your balance quicker by paying more than the minimum payment. Subject to applicable law, your payments thereafter may be applied to what you owe the Credit Union in any manner the Credit Union chooses.

11. Late Fee & Warning. Your payment must be received within 20 calendar days from the due date to be considered on time. A late charge of \$20.00 will be added to your account if we do not receive at least the minimum payment due within 20 calendar days from the due date. The credit union may not treat any payment as late (i.e., we may not charge a late payment fee) unless your periodic statement is mailed or delivered at least 21 days before the payment due date.

12. Other Charges.

- **Return Check Fee:** A fee of \$10.00 will be assessed to your account for each payment you make by check or sharedraft that is returned for non-payment.
- **Document Copy Fee:** A fee of \$2.50 will be assessed to your account for each copy of a statement or transaction verification that you request, unless your request is made in relation to a billing error made by the Credit Union.
- **Express Delivery Fee:** A fee of \$30 will be assessed for each card that is delivered via express delivery.
- **Collection & Legal Fees:** You may be charged fees for collection of this account, including, but not limited to, reasonable court costs and actual attorney fees charged to the Credit Union by an attorney who is not employed solely by this Credit Union.

13. Changing Terms of Your Account - Rules Regarding Rates, Fees, and Limits. The Credit Union may change the terms of this Agreement from time to time by sending Notice of any significant negative change to you no less than 45 days before we increase your interest rate; change certain fees (such as annual fees, cash advance fees, and late fees) that apply to your account; or make other significant changes to the terms of your card.

The Credit Union does **not** have to send you a 45-day advance notice if:

- An increased APR, that will apply after a disclosed period of time, was disclosed at account opening;
- An increase in a variable APR as a result of the operation of an index;
- An increase in an APR due to the completion of a workout arrangement or failure to comply with a workout arrangement; or
- If a minimum payment is more than 60 days late, and the credit union provides a 45-day advance notice of the increased APR.

Increased rates apply only to new charges. If the credit union does raise your interest rate after the first year, the new rate will apply only to new charges you make, unless your minimum payment is 60 or more days late. If you have a balance, your old interest rate will apply to that balance, unless your minimum payment is 60 or more days late.

OPT-OUT. If this credit union is going to make changes to the terms of your card, we will give you the option to cancel the card before certain fee increases take effect. If you take that option, however, your credit card may be closed.

14. New Accounts. Your credit card interest rate will not increase for the first 12 months after you open an account. After that, you will be sent a notice of rate increases at least 45 days before the change.

15. Protections for Underage Consumers. If you are under 21, you will need to show that you are able to make payments, or you will need a cosigner, in order to open a credit card account. If you are under age 21 and have a card with a cosigner and want an increase in the credit limit, your cosigner must agree in writing to the increase.

16. The CARD Act applies to this VISA® Credit Card Agreement. The Card Act provides restrictions on changes to your interest rate and changes to the account terms. The CARD Act does not place a limit on interest rates and fees.

17. Terminating Your Account. Either you or the Credit Union may terminate this agreement at any time, but termination by you or the Credit Union will not affect your obligation to pay the Account balance plus any finance and other charges you owe under this Agreement. You are also responsible for all transactions made to your Account after termination, unless the transactions were unauthorized. The Card or Cards you receive remain the property of the Credit Union and you must recover and surrender to the Credit Union all Cards upon request or upon termination of this Agreement whether by you or the Credit Union. The Credit Union has the right to require you to pay your full Account balance at any time after your Account is terminated, whether you or the Credit Union terminate it. If this is a joint Account, Section 24 of this Agreement also applies to termination of the Account.

18. Credit Information. You authorize the Credit Union to investigate your credit standing when opening or reviewing your Account. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report. You also authorize the Credit Union to disclose information regarding your Account to credit bureaus and creditors who inquire about your credit standing.

19. Returns and Adjustments. Merchants and others who honor your Card may give credit for returns or adjustments, and they will do so by sending the Credit Union a credit slip that will be posted to your Account. If your credits and payments exceed what you owe the Credit Union, the amount will be applied against future purchases and cash advances. If the credit balance amount is \$1 or more, it will be refunded upon your written request or automatically after six months.

20. Additional Benefits/Card Enhancements. The Credit Union may from time to time offer additional services to your Account, such as travel accident insurance, at no additional cost to you. You understand that the Credit Union is not obligated to offer such services and may withdraw or change them at any time.

21. Foreign Transaction Currency Conversion. If you effect a transaction with your VISA® Card, VISA® Check Card or EMV® VISA VSDC® Card in a currency other than US Dollars, VISA® International Incorporated will convert the funds into US Dollars and charge your account in US Dollars. VISA® International Incorporated will use its currency conversion procedure, which is disclosed to institutions that issue VISA® cards. The conversion rate used by VISA® International Incorporated to determine the transaction amount in US Dollars for such foreign transactions is generally either a government mandated rate or a wholesale range of rates determined by VISA® International Incorporated for the processing cycle in which the transaction is processed, increased by an adjustment factor established from time to time by VISA® International Incorporated. The currency conversion rate used by VISA® International Incorporated is the applicable central processing rate, which rate may vary from the rate VISA® itself receives and, may differ from the rate that would have been used on the purchase date or cardholder statement posting date. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, Puerto Rico, and the U.S. Virgin Islands or U.S. Military bases.

If there is no currency conversion but the transaction was completed in a foreign country (what VISA® labels a "single-currency transaction") the International Service Assessment (ISA) is 0.8% of the transaction; including cash advances, purchases and credits to your account. If there is a "multi-currency" conversion, the ISA will continue to be 1% of the transaction. An international transaction is a transaction where the issuer's country (i.e., the card-issuing financial institution's country) is different than the merchant's country. Thus, for example, a transaction over the Internet could qualify as an international transaction. These fees will be charged to your VISA® account for each foreign transaction.

22. Merchant Disputes. The Credit Union is not responsible for the refusal of any merchant or financial institution to honor your Card. The Credit Union is subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the Card if you have made a good faith attempt but have been unable to obtain satisfaction from the merchant or service provider (unless a local law states that you do not have to make such an attempt), and your purchase cost more than \$50 and was made in your home state or within 100 miles of your home. These limits do not apply if we own or operate the merchant or, if we mailed you the advertisement for the services or product purchased.

23. Minimum Payment Warning. If you make only the minimum payment each period, you will pay more in interest and it will take you longer to pay off your balance.

24. Joint Accounts. If this is a joint Account, each person on the Account must sign the Agreement. Each of you will be individually and jointly responsible for paying all amounts owed under this Agreement. This means that the Credit Union can require any one of you individually to repay the entire amount owed under this Agreement. Each of you authorizes the other(s) to make purchases or cash advances individually. Any one of you may terminate the Account and the termination will be effective as to all of you.

25. Effect of Agreement. This Agreement is the contract that applies to all transactions on your Account even though the sales, cash advances, credit or other slips you sign or receive may contain different terms.

26. No Waiver. The Credit Union can delay enforcing any of its rights any number of times without losing them.

27. Statements and Other Notices. Statements will be sent to you no less than 21 days before a payment is due. Statements and notices will be mailed to you at the most recent address you have given the Credit Union. Notice sent to any one of you will be considered notice to all authorized users of this account. You promise to inform us if you change your mailing address and we may rely upon the last address that you provided to us for purposes of sending notices to you concerning this account.

28. Governing Law. This Agreement is governed solely by the laws of the State of Pennsylvania and all extensions of credit and finance charges, including other charges assessed, are governed by the laws of the State of Pennsylvania and federal law, as applicable.

29. Copy Received. You acknowledge that you have received a copy of this Agreement.

30. Signatures. By signing in the Signature area of the application form that was attached to this agreement when you received it, you agree to the terms of this Agreement. You should detach this Agreement from the application and retain it for your records.

31. Business Days. Our business days are Monday – Friday, excluding holidays. All transactions initiated after 5:00 pm are considered the next business day's transactions.

32. Unlawful Internet Gambling Notice. Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

YOUR BILLING RIGHTS - Keep This Notice For Future Use

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us in Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your credit card bill automatically from your savings or checking account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

Your Rights and Our Responsibilities After We Receive Your Written Notice

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is. If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

- (a) You must have made the purchase in your home state, or if not within your home state within 100 miles of your current mailing address; and
- (b) The purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.
